INFORMATION ABOUT APPLICATION

SECURITY GUARD REGISTRATION

PLEASE FOLLOW THE STEPS BELOW:

- 1. If you are a currently employed, full time peace officer holding peace officer status under Chapter 4.5, (commencing with section 830) of Title 3 of Part 2 of the Penal Code, or a level I or level II reserve officer under paragraphs (1) and (2) of subdivision (a) of Section 832.6 of the Penal Code and have completed a course of study in the exercise of the power to arrest approved by the Commission on Peace Officer Standards and Training then you are not required to complete a Power to Arrest course approved by the Bureau at a Bureau certified Training Facility. Furthermore, you are exempt from the live scan requirement if you are only applying for a security guard registration. The exemption from the live scan requirement DOES NOT extend to a security guard registration with firearm permit. Please include proof of successful completion of a course of study in the exercise of the power to arrest and a front and back copy of your peace Officer ID or a letter from your Commanding Officer, on you employing law enforcement agency's letterhead, certifying your peace officer status along with the application for security guard registration. Do not complete the Power to Arrest Course Certification section if you checked yes to the box indicating peace officer or level I or II reserve officer.
- 2. Complete a <u>Security Guard Live Scan form</u> if you are only applying for a security guard registration. Complete a <u>Security Guard with Firearm Live Scan form</u> if you are applying for a security guard registration and a firearm permit. Both live scan forms can be downloaded from the Bureau's web site.
- 3. With three copies of the completed Security Guard or Security Guard with Firearm Live Scan form, go to the nearest Live Scan site to have your fingerprints electronically submitted to the Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI). Click here to locate a Live Scan site.
- 4. Pay the Live Scan Operator. Live Scan Operator fees are set by each site and vary. The fees include the DOJ and FBI fingerprint processing fees.
- 5. Submit the following to the Bureau:
 - (a) The completed original Security Guard Registration application.
 - (b) The second copy of the Live Scan form signed by the Live Scan Operator, identifying the ATI number.
 - (c) A check or money order for \$50.00 (Initial Security Guard Registration Fee).

Be sure to answer **all** questions on the application completely and truthfully. Any omission or false statement on the application may constitute grounds for denial or subsequent revocation of the registration.

A registration may be denied to any person who makes a false statement or who has been convicted of any crime or act substantially related to the functions or duties of a security guard. However, the Bureau will consider evidence of rehabilitation.

Pursuant to Business and Professions Code section 30, providing your social security number or individual taxpayer identification number is mandatory and will be used exclusively for tax enforcement purposes and for compliance with any judgment or order for family support in accordance with section 17520 of the Family Code. Your social security number or individual taxpayer identification number may also be used for verification of licensure or examination status for national examination where licensure is reciprocal with a requesting state. If you fail to provide your social security number or individual taxpayer identification number, you will be reported to the Franchise Tax Board, which may assess a \$100 penalty against you.

Submission of the requested information is mandatory. The Bureau of Security and Investigative Services cannot consider your application for licensure or renewal unless you provide all of the requested information.

Pursuant to the California Public Records Act (Gov. Code § 6250 et seq.) and the Information Practices Act (Civ. Code § 1798.61), the names and addresses of persons possessing a license or registration may be disclosed by the Department unless otherwise specifically exempt from disclosure under the law. We make every effort to protect the personal information you provide us.
